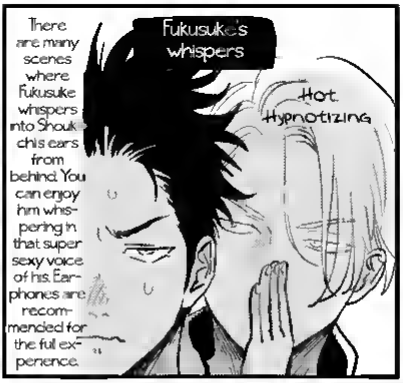
The Drama CD for "Color Recipe Volume 2" will release on May 30th!
Recording Report for the "Color Recipe Volume 2" Drama CD
The main cast was male, but there were a lot of female customers that came to the salon in the story, allowing for a female cast to join in on the fun in the recording studio!
Quite a bit of time has passed since the Drama CD of the first volume was released.
And then the new character
Unlike Kazunori, Hirose-san was a more humble and well-mannered person.
KAZUNORI
Hirose Daisuke
Kazunori, the cheeky new character, was voiced by Hirose-san. He was able to make it so that his character was more hated than in the manga.
Despite having a lot of dark characters, he was able to voice the character in a way that melded well into the story, becoming the comic relief sometimes to a lot of the more serious moments in the manga. And I'm grateful for that...!

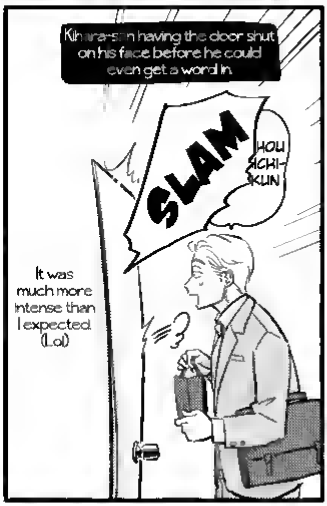
rmk cherry blossom scans

No.1 person you would want as your boss: Mikado-san
Don't overlook yourself with comparisons
Even if he calls me out at work, I wouldn't mind it if it's Mikado-san, who is voiced by Yamanaka-san!
This gentle voice is really soothing. The only person in the series with a cool science.

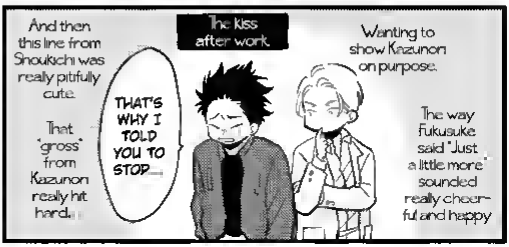


There are many scenes where Fukusuke whispers into Shoukichi's ears from behind. You can enjoy him whispering in that super sexy voice of his. Earphones are recommended for the full experience.
Fukusuke's whispers
Hot. Hypnotizing

I have already received the sound files, so I will give you my personal thoughts and such.



Kihira-san having the door shut on his face before he could even get a word in.
SLAM
HOU-ICHI-KUN
It was much more intense than I expected. (LoL)



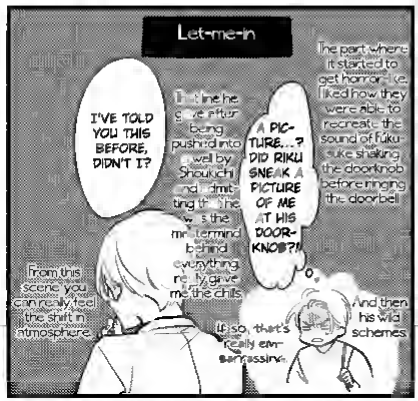
And then this line from Shoukichi was really pitifully cute.
That "gross" from Kazunon really hit hard.
THAT'S WHY I TOLD YOU TO STOP
The kiss after work.
Wanting to show Kazunon on purpose.
The way Fukusuke said "Just a little more" sounded really cheerful and happy

Interactions at Shoukichi's
YOU ARE
WHY NOT? AM I IN THE WAY?
The way they said their lines here was really cute.
Aren't they also lovey-dovey?

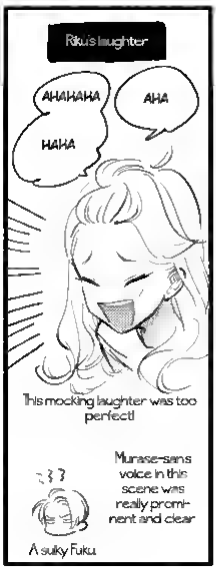
Pushy Fukusuke
Okitsu-san was able to perfectly display Fukusuke's frequent scary mood changes with his voice acting. I can't help but be amazed each time I hear it.
From that "what the fuck are you doing here?" Fukusuke started getting really scary. I could smell the work-place harassment.
On the other hand,
Despite his intense, "I wanna have sex with you and I wanna put it in" aura, along with trying to [illegible] of out of spite, [illegible] and scary [illegible] I can't help but feel conflicted.
Shoukichi's scared lines were [illegible] Shoukichi [illegible] running away and wanting [illegible] to continue.

Phone call with Kitamura-san
Sho-shoukichi-kuuuun!!
From this scene, I was relieved that they were able to clear up a misunderstanding, but I also really enjoyed listening to Chiba-san's wild acting.
Shoukichi can still be nice to people on the phone, despite being super creeped out.

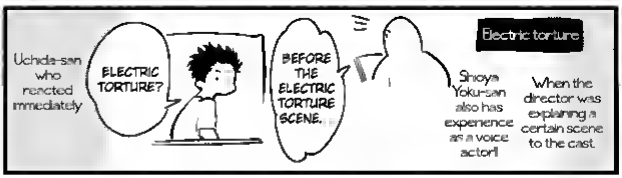
Riku vs. Fukusuke
It was my first time listening to Murase-san recording live, so I was really excited. During his voice test, after listening to the voice files from the last CD, he was able to match Riku's voice perfectly. Hearing this really moved me.
It is near impossible for me to get my art style to look like it did back then, so I was amazed at how it only took him a few adjustments to bring out the character he voiced so long ago...!
Tsk.
He pisses me off.
※He's talking about Fukusuke.
That was a great line. I was a bit anxious, but it turned out great!
Uchida-san was also surprised at Murase-san.
Riku is amazing!



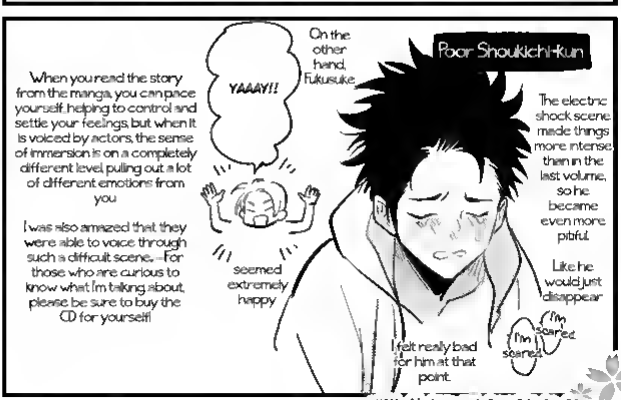
Let-me-in
I've told you this before, didn't I?
That line he spoke after being pushed into a well by Shoukichi and admitting that he was the mastermind behind everything really gave me the chills.
A picture...? Did Riku sneak a picture of me at his door-knob?!
The part where it started to get horrorish. I liked how they were able to recreate the sound of Fukusuke shaking the doorknob before ringing the doorbell.
From this scene, you can really feel the shift in atmosphere.
And then his wild schemes.
If so, that's really embarrassing.



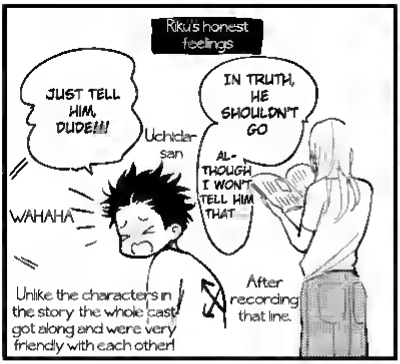
Riku's laughter
AHAHAHA
AHA
HAHA
This mocking laughter was too perfect!
Murase-san's voice in this scene was really prominent and clear
A sulky Fuku



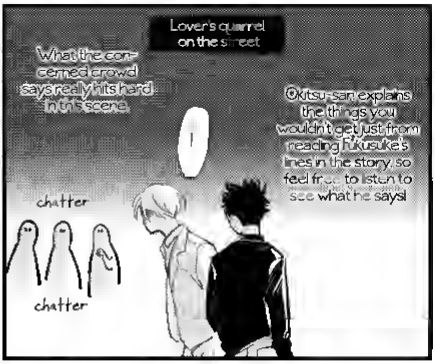
Electric torture
Uchida-san who reacted immediately
ELECTRIC TORTURE?
BEFORE THE ELECTRIC TORTURE SCENE.
Shoya Yoku-san also has experience as a voice actor!
When the director was explaining a certain scene to the cast.



When you read the story from the manga, you can pace yourself, helping to control and settle your feelings, but when it is voiced by actors, the sense of immersion is on a completely different level, pulling out a lot of different emotions from you
I was also amazed that they were able to voice through such a difficult scene. --For those who are curious to know what I'm talking about, please be sure to buy the CD for yourself!
YAAAY!!
On the other hand, Fukusuke
seemed extremely happy
Poor Shoukichi-kun
The electric shock scene made things more intense than in the last volume, so he became even more pitiful.
Like he would just disappear
I'm scared
I'm scared
I felt really bad for him at that point.



Riku's honest feelings
JUST TELL HIM, DUDE!!!
IN TRUTH, HE SHOULDN'T GO
AL-THOUGH I WON'T TELL HIM THAT
Uchida-san
WAHAHA
Unlike the characters in the story the whole cast got along and were very friendly with each other!
After recording that line.



Lover's quarrel on the street
What the concerned crowd says really hits hard in this scene.
Okitsu-san explains the things you wouldn't get just from reading Fukusuke's lines in the story, so feel free to listen to see what he says!
chatter

Selfish-suke*
※2019 Dear Plus June issue's (current issue's) extra CD
*T/N: A play on his name.
In the back, the Production staff was like,
HERE WE GO...
Production staff
and that really cracked me up
The extra from the new edition of the first volume is a must-listen as well! The story is before the developments of volume 2, so they are still very much in love.
The kiss scene from 'Horny Fuku - Volume 2' was only supposed to be one line, but they extended it for the listeners to enjoy and I'm grateful for that!
I WANNA DO IT! I WANNA! I WANNA!
I didn't expect that they would also voice this small extra from the full volume, but they did.
It has some stupid and erotic moments that you wouldn't find in the main story so please listen and enjoy yourself!

Just like in the last volume, from the nerve-racking scenes to the glowin' right erotic scenes, the cast was able to distinguish each properly with their amazing acting. We did everything we could to make this really enjoyable for everyone, so I would be really happy if you make this purchase!
HARADA
We were able to condense this volume's extravagant story into one CD. You have plenty of time to finish listening to this, so please take your time to properly enjoy the story.
From a writer's standpoint, this wasn't really a bright conclusion to the story but the cast each had their own interpretation and had lots of fun voicing the characters, and I am really grateful for that...!

Interview
Uchida-san was discussing how Mikado-san could be the mastermind behind it all.
Wahaha
PISSED AT RIKU (LOL)
The other two's opinion after Uchida-san kept insisting that I make Shoukichi happy (lol)
What?
Isn't he already happy?
He is happy.
There are a lot of readers out there who support Riku, however, looking at this from the perspective of Fukusuke, you can understand it's because he's blocking the path (?) to his love. (lol)
